 - ◆ Accomplishing an AQHA Performance Register of Merit (ROM).

Rules, qualifications, and restrictions:

This program is being offered by Sun Colors Ranch LLC and is made available to any registered AQHA or APHA SBR Formula One sired foal. Awards will be given to the recorded owner at the time of the accomplishment. Foals must achieve accomplishments by 8 years old to qualify.

*When cash or breedings are offered, you have the option of one or the other. Only **one PLATINUM, one GOLD, one SILVER, one BRONZE, and one HONORABLE MENTION** award will be given to any one horse/owner within the 8-year period, and only one category will be awarded to any one horse/owner within a 1-year/12-month period (so choose and plan your accomplishments wisely). For example, if the foal achieves a Gold and Silver award within the same year/12-month period, you must chose which award you would like to be given for that year. Or if they achieve more than 1 accomplishment within a level, only one award will be given ever under each level to any one horse/owner. Awards will not be carried to future years. If you elect to get a breeding award, you must breed a mare during the current season if award is achieved between January 1 – April 15, if an accomplished is achieved after April 15 you must breed a mare during the following breeding season. We consider the year to be January 1 – December 31. We consider the breeding season to be February 15 – June 15.*

Free and discounted breedings only include cost of breeding fee & booking fee. Discounts given will only be applied to the breeding fee amount that is advertised for the year in which the mare is to be bred. Other applicable fees will apply to all breedings, including but not limited to, collection fees, shipping fees, mare care fees, and any and all other possible fees. No other discounts will be applied to awarded breedings. All mare owners must sign a breeding agreement for the season in which the mare is planned to be bred.

We reserve the right to publish any accomplishment information on our website or in print regarding any foal that qualifies for any of the above accomplishments. Foal owner is required to supply us with complete information regarding the accomplishments such as titles/placing, dates, show, class, photos, and proof of the accomplishment from the association itself, as well as any other information we may request.

This program is immediately VOID IF STALLION DIES, BECOMES UNABLE TO BREED/OR PRODUCE FOALS, OR IS SOLD. This is due to the program being funded by the stallion's breeding fees.

We reserve the right to change, replace, revise, or cancel this program at anytime for any reason, and we reserve the right of refuse or decline awarding any awards for any reason to any foal or foal owner at any time, as we see fit. This is not a contract, these are only possible offerings and we make no guarantees that this program will continue or be available or offered for any specific period of time. It is the foal's owner's responsibility to inform us of the foals qualifying accomplishments.

This document is 2 pages. If one page is missing, it is void.
